

CSR's "Contact Patch"

Greetings!

Everybody is Going to the Charity Challenge

The 16th Annual CSR Charity Challenge, Oct. 4-6

It's the Big Kahuna, the Big Dog, the Main Event, the Whole Enchilada, The Grand Salami.....OK, OK, you get the message.

The Charity Challenge is CSR's signature event & this year looks to be a super show. with three series that wrap up the season at Sonoma--- details below.

CSRG Newsletter

We would like to start publishing a monthly newsletter, as we have in the past, but this one will be purely digital. As usual we need somebody to step up & volunteer to produce it. Time to give back, if you will.

If your first reaction is you don't have the time, please spare us that excuse. Nobody has the time, you're overworked; we're all busy, blah, blah, blah. This could be as fun a project as you make it.

If you have the required skills--the gift of gab; an understanding of the club & its members & some idea of how to navigate a computer, you're qualified. Come on, stretch your mind & try it!

If you are interested, please contact: csrglocke@gmail.com

CSRG Season Finale Races at Thunderhill & Awards Dinner, Nov. 1-3

Come for the Food, Stay for the Racing

If you missed the Spring Thunderhill races, we expect to see you at the Thunderhill Season Finale on Nov. 1-3--no excuses.

On the other hand, if you were at Thunderhill Spring, we know where you will become November 1-3....

And don't forget to come to the Saturday night dinner at the Willows Memorial Hall!

SAFETY NOTICE

[The Crossflow Cup for 2019](#)

The Crossflow Cup for Vintage Formula Fords & Club Fords has the premier FF series in vintage racing. 2018 was a banner year. It can best be summed up by saying we had 50 FFs at the Charity Challenge with zero, I repeat, zero incidents. The racing is intense, but fair all the way through the grid. Most importantly there is a bond between all of the drivers that encourages good sportsmanship.

Have a Vintage or Club FF? Come join us.

[USRRC Race Group 4](#)

In 2019 CSRG's Race Group 4 will showcase the Sports Racing cars that were associated with the USRRC Championship that ran from 1963 to 1968. Beginning with the David Love event April 12 through 14, our USRRC Race Group 4 will include both Over 2 liter period and Under 2 liter period cars that ran during the time of the original series. At our events both over and under cars will run together throughout the weekend and will be gridded based on qualifying and heat races. After each Saturday's final, we will have a podium ceremony acknowledging the top three finishers in each group, Champagne will be sprayed, accolades given and racing stories told! 50 Series Tires

We have noticed some cars in G2 & G3 running 50 series tires which are not allowed under CSRG rules. There are some exceptions (G8 cars moved to G2 or G3, for example), but the vast majority of the cars are not allowed to run 50 series tires.

Tech inspection sheets

You can get a head start on your Tech Inspection tasks by downloading the Pre-Tech Inspection Forms. These forms are not meant to replace the sheets you will receive by e-mail with your information packet but are provided as information and as a work sheet so you may inspect and gather all the data necessary to complete the official form. Click [TechWorksheet](#) to print your copy of the worksheet.

Event registration

Click here to be directed to CSRG.MotorsportReg for online registration. Be sure to bookmark or save it as a favorite for quick access in the future. Mail-in forms can be obtained by clicking on the "Event Schedule" button on our home page at www.CSRG racing.org or by clicking on: [EventSchedule](#). Note: Mail-in entry forms are specific for each event and will usually appear on the site 6 to 8 weeks before an event.

Click on [CSRGmedform13.pdf](#) to download a copy of the form. You do not need to send in the original Medical Form with the "wet" signature to CSRG. You can now keep your original and either mail a clear photocopy or, better yet, scan the complete two page form and email it to: Race.Director@csrgweb.org.

It would be wise to file the original until its medical certification period expires. The scan and email system is the preferred method, otherwise mail the forms to CSRG at P.O. Box 3223, San Rafael Ca. 94912.

Email Race.Director@CSRGweb.org if you have problems or additional questions.
