

2010 CSRG 1st Event
Celebrating 100 years of Alfa Romeo
Infineon Raceway, Sonoma CA.
April 9, 10,11, 2010

The second weekeind in April should provide even better weather prospects for the CSRG 1st event and hopefully will make the trip easier for our entrants from the Northern Climes..

We invite entries for the traditional CSRG grids of Sports Racing, Formula, and Production an GT cars.

CSRG is celebrating 100 years of Alfa Romeo featuring special Alfa Romeo Feature Races for Alfas manufactured and prepared to race specifications prior to 12/31/1972 . Cars entered for these races need not comply with CSRG preparation rules. If your pre-1972 car is currently accepted for vintage racing with a VMC member racing club. Contact Sid Gage spider58@sonic.net or Ken Kirk Cars@CSRGWeb.org if you have eligibility questions. Please download, complete and submit the special car information forms if your car does not have CSRG Provisional Approval. If you are mailing you entry, please download, print, fill in and submit either of the Guest Alfa Spec forms. If you are entering on line, please download the file, <http://www.csgracing.org/forms/CSRGApril2010GuestAlfaSpecs.rtf> . You should be able to open this file and complete it with any word processor. Once it's complete, please email it to Alfas@CSRGWeb.org .

Entries are also invited for the 2010 Volvo Celebration Grid for Volvos manufactured on or before 12/31/1972 (corbureted models) as well as Sports Racers and GT Cars powered by pre-1972 Volvo engines. Contact Alan Berry alanb@alanberrydesign.com or the Race Director Race_Director@CSRGweb.org for information or assistance with your entry.

The sound limit for this weekend is 103db so be prepared to 'hush' your car just a bit!

Because of the full schedule CSRG Mechanical Picnic may be curtailed or for this event.

The tentative schedule for the weekend is-

Friday, April 9th:

Roving Tech inspection and Registration throughout the paddock will open about 10:00 AM We'll announce details here later and in your acceptance letter – Tech and registration will remain open until 5:00 PM. Friday Practice Groups will run according to a published schedule between 1:00 PM and 6:00 PM.

Saturday & Sunday, April 10th & 11th:

Vintage Racing – Tech will be near the Infineon Business Center on Saturday morning. Both days will feature practice and racing by groups. There will be practice and race groups for all entries on both days. A final schedule will be mailed along with your acceptance letters.

Saturday evening we are planning to serve finger food in significant proportions and “thirst quenchers” at the track for entrants and crews.

Questions about the event should be directed to info@CSRGGracing.org , or Race_Director@CSRGWeb.org or call CSRG at 888.268.7126.

Entry Deadline and Refund Policy:

The deadline for entries by mail is March 11th, 2010. Online entries can be accommodated through April 4th. However if your race group is heavily subscribed entries will be accepted on a "first come first served" basis and you may not be able to participate.

The refund deadline is March 1st. If you can't make it for any reason, make a request for a refund to RaceDirector@CSRWeb.org before March 1st and we will refund your entry fee (less a \$50 charge) or apply it as a credit to another CSRG event in 2010. Remember it is easier to refund your entry than it is to add you as a late entry.

We look forward to seeing you this first race weekend of CSRG's 43rd season of vintage racing!

A FEW REMINDERS:

- The use of GLYCOL-based antifreeze is not permitted in racecars at any of our venues.
- SA2000 or newer helmets are required this season.
- Racetrack insurance policy requires all pets to be on a leash during the event.
- An adult must supervise all children less than 16 years of age at all times.
- The speed limit in the paddock is 10 mph – for everyone – skateboard, moped, and yes, racecars.

We are looking for technical inspectors to help on the weekends. Please give Rick Hutchings a call at 541.582.1103, to volunteer or help us on grid, etc.

Medical Cards

Use of the VMC-approved medical form is mandatory for securing a CSRG Medical Card. All (4) pages of the original form are required to be on file with CSRG. This form is available by calling CSRG at 888.268.7126. If you need to renew your medical card prior to this event, please have your completed form to CSRG at least 2 weeks PRIOR to the event. Remember that your medical card is only good for two 2 years, 1 year if you're over the age of 60. Translation – "You must have had a medical exam within two years of this event and have submitted the signed original 4-page form (copies are not acceptable) to CSRG".

CSRG Membership

If you haven't already done so, please send in your \$100.00 membership dues (\$60 for nonracing associate member) along with the renewal form for this season. Please make sure the information on the form is correct, it's the only way we have of contacting you. An simpler way to accomplish this is to go online to <http://csrg.rrevs.net> , login and renew your membership using your credit card.
